

## JULY NEWSLETTER

6 months down, 6 to go! Following on from a busy June, July looks quiet in comparison. But we've still got plenty going here at RPMAA, particularly as we look to the future!

### JUNE

### STUDENT OF THE MONTH

Jacqueline Hayles-Cummings

### *June Recap*

June hosted the 2nd grading week of the year, with plenty of students going forwards and achieving their new grades. In addition, we had a number of students grade for their black belts in Tae Kwon Do, a huge milestone for any student. Congratulations as well to our Student of the Month Jacqueline for her awesome work in Thai Boxing!

# ALL ABOUT JULY

As previously mentioned, July looks to be a quiet month at RPMAA. It is, however, looking to be a very fun one; not only are we hosting two Nerf birthday parties this month, but also our annual RPMAA water fight on Friday 26th July! Bring your kids down with their water guns and have a great time cooling off and having fun!
