

## NOVEMBER NEWSLETTER

The year is entering its winter period, but there's no winding down here at RPMAA! November is our busiest month of the year, with workshops, events and most importantly, our final grading week of the year! Read on to stay up-to-date with everything happening at the academy this month and into the end of the year.

### October Recap

Following on from the first one in September, we had our 2nd free community self-defence workshop of the year which also went down a storm! Our mission at RPMAA is to make a positive impact on people's lives and we're positive we did so with these workshops. We also held two Black Stripe workshops in preparation for the November black belt grading, and though technically in November, we'll also give mention to our two Halloween parties which the children had great fun at! Some of the costumes were absolutely brilliant and we can't wait to do it all again next year.

### OCTOBER

### STUDENT OF THE MONTH

Skyler-Rose  
Simpson

Not only has she worked hard in classes, Skyler has also been making full use of private sessions with our instructor Mr. Hobson, and we've seen a huge turnaround in both her attitude and performances.

Massive well done to Skyler! 🎉
